ABOUT US

Malis started its activity in 2007 and thanks to the gradual expansion of the product offer, it quickly gained trust on the Polish and foreign market. The presence of our company on the market for over 10 years has given us the knowledge of how to effectively respond to customer needs.

We are owner and main distributor articles which you will find in this catalog:
- MalTec - household appliances, industrial and outside equipment,
- Curron – grills,
- Sunwaal – garden products.
And our other brands:
- MalPlay - toys and articles for children,
- MalTrack - bicycles and accessories.

We provide high quality products, nice and qualified staff and decent prices.

CONTENTS

FOOD PROCESSOR
MALTECCHEF1800W
CODE: 108851

- power: 1800 W
- number of speeds: 6
- capacity: 6L / 5L
- rotation: planetary
- number of stirrers: 3+silicone spatula

- functions: whipping, kneading, kneading dough, mixing
- shell splashback pulsating made of steel stainless steel

AIR FRYER
MALTEC 4,3L
CODE: 109337

- power: 1400 W
- temperature range: 80 ° C- 200 ° C
- timer: up to 30 min
- basket capacity: 3.2 l
- bowl capacity: 4.3 l

- LCD display withtouch screen
- temperature control and cooking time
- cooking programs
- non-stick coating

AIR FRYER
MALTEC 8L
CODE: 109855

- power: 1800 W
- temperature range: 80 ° C - 200 ° C
- timer: up to 30 min
- basket capacity: 7.2 l
- bowl capacity: 8 l

- LCD display, with touch screen
- temperature and cooking time control
- ready cooking programs
- non-stick coating

ELECTRIC GRILL XXL
MALTEC SM4500W
CODE: 109856

- power: 2000W-2500W
- temperature range: 60°-220°
- opening range: up to 180 °
- timer: up to 30 minutes
- plate size: 2x29x24cm

- non-stick coating
- not warming up handle and tray for fat drainage
- temperature control and grilling time

FOOD DRYER ADJUSTABLE MALTEC PERFECTDRY450W
CODE: 109553

- power: 450W
- capacity: 12l
- number of levels trays: 5 (option of expansion)
- dimensions: 21.5x31.6x25cm

- modular design BPA FREE
- 8-step temperature control (35-70 ° C)
- built-in timer
- LED display

FOOD DRYER ADJUSTABLE MALTEC DRYEXPERT450W WHITE
CODE: 110247

- power: 450W
- capacity: 12l
- number of levels trays: 5 (option of expansion)
- dimensions: 21.5x31.6x25cm

- modular design BPA FREE
- 8-step temperature control (35-70 ° C)
- built-in timer
- LED display

FOOD DRYER ADJUSTABLE MALTEC DRYEXPERT450W BLACK
CODE: 110251

- power: 450W
- capacity: 12l
- number of levels trays: 5 (option of expansion)
- dimensions: 21.5x31.6x25cm

- modular design BPA FREE
- 8-step temperature control (35-70 ° C)
- built-in timer
- LED display

METAL DESK OR WALL FAN
MALTEC FLEXCOOL 350
CODE: 109151

- power: 35W
- engine: 20mm
- slope: up to 90 °
- standing or wall mounted
- diameter: 20cm

- quiet work
- large air flow
- 3-stage adjustment airflow
- standing or easy
- mounted on the wall

DESK FAN
MALTEC WBS60WT
CODE: 107654

- power: 40W
- engine: 12mm
- propellers: three-blade
- diameter: 35cm
- height: 48cm
- assembly: standing

- quiet operation
- high flow air
- 3-stage air flow control
- function oscillation
- regulation slope

STANDING FAN
MALTEC WL65
CODE: 104107

- power: 45W
- engine: 14mm
- propellers: three-blade
- diameter: 43cm
- height: up to 125cm
- assembly: standing

- quiet operation
- high air flow
- 3-level control air flow
- oscillation function
- tilt adjustment

STANDING FAN
MALTEC WL-85-B
CODE: 107651

- power: 45W
- engine: 14mm
- propellers: three-blade
- diameter: 43cm
- height: up to 125cm
- assembly: standing

- quiet operation
- high air flow
- 3-level control airflow
- functions: oscillation, timer tilt adjustment

STANDING FAN REMOTE
MALTEC WL85-BR
CODE: 107652

- power: 45W
- engine: 14mm
- propellers: three-blade
- diameter: 43cm
- height: up to 125cm
- assembly: standing
- quiet operation
- high air flow
- 3-level controlair supply + remote control
- functions: oscillation, timertilt adjustment

STANDING FAN
MALTEC STORM 2500
CODE: 109130

- power: 45W
- engine: 14mm
- propellers: three-blade
- diameter: 43cm
- height: up to 123cm
- assembly: standing
- quiet operation
- high air flow
- 3-level controlair supply + remote control
- functions: oscillation, timer
- tilt adjustment

STANDING FAN
MALTEC WATERFALL AROMA
CODE: 109131

- power: 75W
- engine: 16mm
- propellers: five-blade
- diameter: 43cm
- assembly: standing
- tank: 3.2l
- high air flow
- 3-level controlair supply + remote control
- functions: oscillation, timer, haze, deterrence-insects (optional)

METAL FAN
MALTEC W-OC150WT
CODE: 107653

- power: 75W
- engine: 14mm
- propellers: three-blade
- diameter: 44cm
- assembly: standing
- material: metal
- quiet work
- high air flow
- 3 horizontal regulation air supply
- regulation inclination
- convenient handle

STANDING COLUMN FAN
MALTEC WK120WT
CODE: 107657

- power: 45W
- engine: 14mm
- assembly: standing
- height: 73cm
- diameter: 12.5 cm
- base diameter: 21cm

- quiet operation
- high air flow
- 3-level control air flow
- stable structure
- oscillation function

STANDING COLUMN FAN
MALTEC WK180WT
CODE: 107656

- power: 45W
- engine: 14mm
- assembly: standing
- timer: 0.5-7.5h
- height: 73cm
- base diameter: 26cm

- quiet operation
- high air flow
- 3-level control air supply + remote control
- stable structure
- functions: oscillation

STANDING COLUMN FAN
MALTEC WK200WT
CODE: 108194

- power: Eco 50W / Max 100W
- assembly: standing
- timer: 1-15h
- height: 86cm
- diameter: 13cm
- base diameter: 31cm

- quiet operation
- high air flow
- 3-level controlair supply, 3 modes + remote control
- functions: oscillation, timer, thermometer

STANDING COLUMN FAN
MALTEC WK300WT
CODE: 108193

- power: Eco 50W / Max 100W
- assembly:standing timer: 1-15h
- height: 112cm
- base diameter: 27cm
- touchpad

- quiet operation
- high air flow
- 3-level controlair supply, 3 modes + remote control
- functions: oscillation, timer, sleep mode

STANDING COLUMN FAN
MALTEC WK500WT-ION +IONIZATION
CODE: 110305

- power: 45W
- three modes: Normal/ Natural/ Sleep
- timer: 15h
- height: 97cm
- remote control + panel
- ionization function
- oscillation function
- airflow adjustment
- LED display
- stable construction
- quiet work

AIR CONDITIONING
MALTEC CC2000M
CODE: 107077

- power: 80W
- flowair: 5.0m / s
- timer:1-7h
- water tank: 4l
- source of cool: water, ice cubes or refillscooling
- 3-level adjustment air supply
- 3 modes + remote control
- functions: oscillation, timer, cooling, cleaning
- moisturizing air filter

AIR CONDITIONING
MALTEC KLP-9000KWA R290
CODE: 108106

- power: 1003W
- BTU: 9000
- timer: 1-24h
- capacity cooling: 2.6kW
- range temperature: 16-32 ° C
- 2-level controlair supply
- 3 modes + remote control
- functions: sleep mode, timer, cooling, drying, ties
- regulation temperature
- built-infilter

HANDHELD VACUUM CLEANER
MALTEC Wet&Dry 300 10IN1
CODE: 108015

- power: 50W
- battery: 2000mAh
- dust container: 0.3l
- working time on battery: up to 30 minutes
- charging time: 4h
- cyclone technology
- wireless operation
- dry and wet work
- built-in filters
- easy and quick emptying accessory kit

HANDHELD VACUUM CLEANER
MALTEC Wet&Dry 500 12IN1
CODE: 108016

- power: 80W
- battery: 2200mAh
- dust container: 0.5l
- working time onbattery: up to 25 minutes
- charging time: 4h
- cyclone technology
- wireless operation
- dry and wet work
- built-in filters
- easy andquick emptyingaccessory kit

VACUUM CLEANER
MALTEC VERTICAL TURBO CYCLONE 5IN1
CODE: 108023

- power: 600W
- cable length: 5m
- dust container: 0.5l
- telescopic tube: up to 81cm
- washable filters: preliminary, non-woven
- cyclone technology
- easy and quick emptying
- bagless
- 2in1 - vertical + manual
- built-in filters
- a set of accessories

VACUUM CLEANER
MALTEC TURBOCYCLONE WIRELESS 9IN1
CODE: 108025

- power: 120W
- battery: 2200mAh
- dust container: 0.8l
- working time: up to 38 min
- charging time: 4h
- power levels: 2
- cyclone technology
- bagless wireless
- 2in1 - vertical + manual
- built-in washable filters

VACUUM CLEANER SUPER POWER
MALTEC TURBO CYCLONE 3000
CODE: 109153

- power: 200W
- battery: 2200mAh
- dust container: 1l
- working time: up to 30 minutes
- charging time: 4-5h
- cyclone technology
- bagless, wireless
- 2in1 - vertical + manual
- 5-stage filtration
- a set of accessories

TURBO CYCLONE VACUUM CLEANER
MALTEC PRO-4000W 12IN1
CODE: 109957

- power: 900W/4000W
- technology: cyclone
- tank: 2l
- energy class: A
- suction power: up to 20kPa
- cable: 5m
- compact size
- cord reel
- easy emptying
- filtering
- bagless
- a set of accessories

VACUUM CLEANER
MALTEC TURBO CYCLONE 4200Wt 12IN1
CODE: 108017

- power: 800W
- dust container: 2l
- cable length: 5m +automatic winding
- washable filters: preliminary,foam, HEPA
- cyclone technology
- easy and quick emptying
- bagless
- regulation of the suction power
- a set of accessories

VACUUM CLEANER
MALTEC ML1800-ASH
CODE: 106493

- power: 1800W
- tank: 18l
- cable length: 4m
- length of hose: 2m
- height: 41cm
- filters: HEPA, bag
- blower function
- repeller function to ash
- comfortable grip
- filtration system
- a set of accessories

VACUUM CLEANER
MALTEC ML2500-ASH-INDUSTRIAL
CODE: 107504

- power: 2000W
- tank: 20l
- cable length: 4m
- length of hose:2m
- height with wheels: 44cm
- filters: HEPA, bag

- blower function
- repeller function
- to ash + industrial
- comfortable grip
- filtration system
- a set of accessories

VACUUM CLEANER MULTIFILTERSERIES
MALTEC MWD206S 25L NEW
CODE: 109806

- power: 3800W
- tank: 25l
- cable length: 5m
- filters: HEPA, foam, cotton, sack, fireproof fabric

- for plaster, water, dust, ash, debris
- socket synchronization
- regulation power
- water discharge port
- a set of accessories

VACUUM INDUSTRIAL
MALTEC ML3600W 80L
CODE: 107505

- power: 3000W
- tank: 80l
- cable length: 4m
- filter: Super High bag density
- hose length: 5.4 m

- wet / dry vacuuming
- special system tilting toemptying the tank
- three power swit-ches
- a set of accessories

STEAM IRON 7IN1
MALTEC HDS5000W
CODE: 107521

- power: 1500 W
- cable length: 180cm
- tank: 280ml
- steam shot: 15g / min27g / min 32g / min
- warm-up time: 30s.

- ironing / disinfection / ore-freshing / cleaning
- automatic switching off
- button lock
- 3 stage adjustment couples
- a set of accessories

ROTARY STEAM IRON
MALTEC HDS5900W
CODE: 108475

- power: 1500 W
- cable length: 2,1m
- tank: 120ml
- steam shot: 14 g / min 18g / min 23g / min
- warm-up time: 45s.

- vertical / horizontal / pair
- temperature control
- ceramic soleplateirons
- 3-stage adjustmentcouples
- rotating head

STEAM IRONER WITH BOARD
MALTEC ELEGANTCARE 2500W
CODE: 109184

- power: 2500
- Thruststeam: 40g / min
- tank:1.2l
- soleplate:ceramic
- dimension: 44x58cm
- regulation: 80 ° C – 200 ° C

- rotating head
- adjustable board
- vertical / horizontal / pair / nadry
- ironing / disinfection / orefreshing / cleaning

WASHER-STEAM CLEANER
MALTEC HDS3350W
CODE: 109609

- power: 1050 W
- tank: 350ml
- pressure: up to 3.5 bar
- temperature: up to 110 ° C
- cable length: 2m
- steam shot: 30g / min

- dirt / bacteria / mites
- no detergents
- lightweight construction
- rotating nozzle
- safety valve
- accessory kit

STEAM CLEANER
MALTEC HDS7000W-PRO
CODE: 109844

- power: 2000W
- pressure: 4 bar
- tank: 1.5l
- steam: 100°C
- cable: 6m
- heating time: 5-6 min.

- steam regulation
- safety valve
- without detergents
- cleaning and disinfection
- for different surfaces
- a set of accessories

MOP-STEAM CLEANER
MALTEC STEAM EXPERT HDS4500W
CODE: 109062

- power: 1500 W
- tank: 400ml
- warm-up time: 30s.
- temperature: 100 ° C
- cable length: 7m
- functions: mop / cleaner

- switch with LED
- steam output control
- no detergents
- moving head
- on dirt / bacteria / mites
- accessory kit

MULTI-QUARTZ HEATER
MALTEC QH3500WT
CODE: 106511

- power: 800W
- regulation power: 400/800W
- cable length: 1.1 m
- heaters: quartz
- dimensions: 29x15x37cm
- power supply: mains
- security
- handleto carry
- compact dimensions
- two independent switches
- fast heating
- automatic shutdown

OSCILLATING PTC HEATER
MALTEC HIGHLINE2200
CODE: 108833

- power: 1000W/2000W
- temperature control: 15-45 ° C
- timer: 1-12h
- dimensions: 55x16x7.5cm
- power supply: mains
- horizontal oscillation
- LED display
- touch panel + remote control
- rapid heating
- compact dimensions

CONVECTOR
MALTEC CH2500DW
CODE: 101548

- regulated power: 750-1250-2000W
- installation:standing / wall mounted
- dimensions: 52x34x11cm
- cable length: 155cm
- power supply: mains
- security
- built-in thermostat
- rapid heating
- 3-stage adjustment
- turbo airflow
- comfortable handles and wheels

CONVECTOR TURBO
MALTEC CH3500DW
CODE: 107514

- regulated power: 1000-1300-2300W
- control: panel + remote control
- dimensions: 68x37x11cm
- cable length: 155cm
- power supply: main
- security
- turbo airflow
- comfortable wheels and handles
- built-in thermostat
- rapid heating
- front air discharge option

CONVECTOR HEATER GLASS
MALTEC CH5000DW WiFi
CODE: 108832

- power: 1000W Eco / 2000W
- control:remote control + panel + WiFi
- dimensions: 83x46x9cm
- degree of protection: IP24
- timer: up to 24h
- security
- temperature control
- Tempered glass panel
- standing or wall mounted
- weekly timer
- assembly kit

CONVECTOR HEATER GLASS
MALTEC CH5000DW WiFi
CODE: 109329

- power: 1000W Eco / 2000W
- control:remote control + panel + WiFi
- dimensions: 83x46x9cm
- degree of protection: IP24
- timer: up to 24h
- security
- temperature control
- Tempered glass panel
- standing or wall mounted
- weekly timer
- assembly kit

OIL HEATER
MALTEC HIGHLINE9000 POWER
CODE: 108834

- power: 800W / 1200W / 2000W
- number of ribs: 9
- lengthcable: 140cm
- horizontalpower: 3
- power supply: network
- security
- wheels and handle
- knob adjustment
- cable holder
- rapid heating
- does not dry the air

ELECTRIC HEATER
MALTEC INFERNO4000
CODE: 107958

- power: 2kW
- fan: 20/1000/2000W
- degree of protection: IP20
- heater: ceramic
- power supply: mains
- security
- integrated handle
- smooth power regulation
- thermostat
- fan function
- Protective mesh

ELECTRIC HEATER
MALTEC INFERNO6000
CODE: 107959

- power: 3,5kW
- fan: 25/1500/3500W
- degree of protection: IP20
- heater: ceramic
- power supply: mains
- security
- integrated handle
- smooth power regulation
- thermostat
- fan function
- Protective mesh

AIR CURTAIN
MALTEC PT3800WT
CODE: 107965

- power: 0/1000W/2000W
- timer: 1-8h
- functions: heating / ventilation
- length cable: 150cm
- power supply: network
- weekly program work
- remote control
- open window detection
- ceramic elementheating
- assembly kit

TERMO HEATER
MALTEC 2001
CODE: 101540

- power: 2000W
- power: 0 - 1000 - 2000W
- cable length: 130 cm
- heater: spiral
- dimensions: 13.5x22x26cm
- overheating protection
- control lamp
- carrying handle
- heating control
- fast heating

INFRARED HEATER
MALTEC CARBON720W WIFI
CODE: 109616

- power: 720W
- heater: carbon crystal
- control: remote control, panel,
- wall + ceiling + standing
- dimensions: 60x120cm
- weekly timer
- thermostat
- timer
- overheating protection
- far Infrared technology
- WIFI

GAS HEATER
MALTEC GAS-2500WT
CODE: 109624

- heating power: 25kW
- capacity: up to 450m3 / h
- gas pressure: 0.3bar
- maximum gas consumption: 1.09 kg / h
- ignition: PIEZO

- fast heating
- Easy-to-use
- comfortable grip
- security

GAS HEATER
MALTEC GAS-2500MT
CODE: 109625

- heating power: 25kW
- capacity: up to 450m3 / h
- gas pressure: 0.3bar
- maximum gas consumption: 1.09 kg / h
- ignition: automatic

- fast heating
- Easy-to-use
- built-in thermostat
- temperature control
- comfortable grip
- security

SUN FOR GAS
MALTEC GAS 4500WT
CODE: 105606

- power: 1.4-3.4kW
- gas consumption: 110-305g / h
- range: 20-80m2
- nominal pressure: 37mbar

- security
- heating control
- possibility of fixingon the cylinder
- rapid heating
- assembly kit

GAS STOVE
MALTEC GAS-5000WT FOLDING
CODE: 109450

- power: 1500/2900/4200W
- nominal pressure: 37mbar
- gas consumption: 110/200/305 g/h
- category: I3B (37)

- security
- clampand cylinder support
- ignition PIEZO
- comfortable wheels and bottle holders up to 11 kg (Propane butane)

GAS LEVEL INDICATOR
MALTEC
CODE: 107680

- assembly: external cylinder side (below her field)
- active indicator: in winteron the left side, in the summer after right

- shows the gas level in cylinder
- easy and quick installation
- no power needed
- legible and transparent indications

DEHUMIDIFIER BLACK
MALTEC DH-800
CODE: 108843

- power: 22W
- tank: 800ml
- efficiency: 300 ml / day- at 30°C, 80%
- Power: mains
- drain hose of water or a fixed tank
- easy and fast emptying
- compact dimensions
- full signaling tank

DEHUMIDIFIER WHITE
MALTEC DH-800
CODE: 108843

- power: 22W
- tank: 800ml
- efficiency: 300 ml / day- at 30°C, 80%
- Power: mains
- drain hose of water or a fixed tank
- easy and fast emptying
- compact dimensions
- full signaling tank

DEHUMIDIFIER
MALTEC DH-900 WHITE
CODE: 108293

- power: 36W
- tank: 800ml
- efficiency: 250 ml / day- at 30 ° C, 80%
- power supply: mains
- permanent water tank
- AUTO-OFF
- easy and fast emptying
- compact dimensions
- full signaling tank

### DEHUMIDIFIER
MALTEC DH-900 BLACK
CODE: 109513

- power: 36W
- tank: 800ml
- efficiency: 250 ml / day- at 30 ° C, 80%
- power supply: mains
- permanent water tank
- AUTO-OFF
- easy and fast emptying
- compact dimensions
- full signaling tank

DEHUMIDIFIER WHITE
MALTEC DH-2200
CODE: 108842

- power: 65W
- tank: 2200ml
- efficiency: 700 ml / day- at 30 ° C, 80%
- power supply: mains
- drain hose of water or a fixed tank
- easy and fast emptying
- timer and thermometer
- full signaling tank

DEHUMIDIFIER BLACK
MALTEC DH-2200
CODE: 107529

- power: 65W
- tank: 2200ml
- efficiency: 700 ml / day- at 30 ° C, 80%
- power supply: mains
- drain hose of water or a fixed tank
- easy and fast emptying
- timer and thermometer
- full signaling tank

DEHUMIDIFIER
MALTEC DH-10000A
CODE: 108598

- power: 190W
- tank: 2500ml
- efficiency: 10l / day
- timer: 1-24h
- power supply: mains
- drain hose or a fixed tank
- humidity regulation
- filtration
- three modes of operation
- AUTO-OFF

DEHUMIDIFIER
MALTEC DH-12000
CODE: 109448

- power: Eco 185W
- tank: 2000ml
- capacity: 12l / day
- timer: 1-24h
- power supply: mains
- dimensions: 46x25.5x22cm
- drain hose or fixed tank
- humidity regulation
- filtering
- operating mode selection
- humidity reading
- AUTO-OFF

DEHUMIDIFIER
MALTEC DH-20000A
CODE: 108599

- power: 370W
- tank: 6500ml
- efficiency: 20l / day
- timer: 1-24h
- power supply: mains
- drain hose or a fixed tank
- humidity regulation
- filtration
- three modes of operation
- AUTO-OFF

DEHUMIDIFIER WiFi
MALTEC DH-50000X
CODE: 109449

- power: Eco 680W
- tank: 5000ml
- capacity: 50l / day
- timer: 1-24h
- power supply: mains
- dimensions: 62x36.8x25cm
- drain hose or fixed tank
- humidity regulation
- filtering
- Wi-Fi
- humidity reading
- AUTO-OFF

AIRPURIFIER
MALTEC EX-SERIES 9
CODE: 107530

- power: 43W
- filters: smog, HEPA, preliminary, carbon
- sensor: smog
- power supply: mains
- control panel + pilot + WiFi
- safe for peace child
- indicators pollution
- air ionization

ULTRASONIC HUMIDIFIER
MALTEC WT-3000KW + OILS
CODE: 109554

- power: 28W
- tank capacity: 3l
- capacity: 300ml / h
- quiet operation <: 36dB
- dimensions: 18x19.5x26.5cm
- functions: Auto OFF, ionizer, hygrostat, timer, aromatherapy
- filtering
- mist adjustment
- touchpad
- 3x oils included

ULTRASONIC HUMIDIFIER
MALTEC WT-3400KW + OILS
CODE: 109587

- power: 28W
- tank capacity: 3.4l
- capacity: 300ml /h
- quiet operation <: 36dB
- dimensions:
14.6x14x6x31cm

- functions: Auto OFF, ionizer, hygrostat, timer, aromatherapy
- filtering
- mist adjustment
- touchpad
- 3x oils included

PATIO HEATER
MALTEC GH285
CODE: 104124

- burner power: 14 kW
- power with reducer: 5-12kW
- type of gas: propane-butane
- gas consumption: 450-870g / h
- gas pressure: 28-30 / 37

- security
- steel structure
- overheat system
- knob adjustment
- wheels for transport
- reducer included

- idle speed: 3300rpm
- fuel / oil tank: 550ml / 260ml
- two guides 16 „and 18"
- 25: 1 ratio (fuel-oil)
- safe cover
- EasyStart function
- chain oil
- accessory kit

COMBUSTION MOWER
MALTEC MASTERBLADE 9500W
CODE: 109282

- max revolutions: 9500 / min
- max engine power: 5,2KM
- displacement 51.7cm3
- tank: 900ml
- ratio: 25:1 (fuel:Oil)
- manual start
- EasyStart
- convenient handle
- 2-stroke engine (air cooled)
- accessory kit

ELECTRIC MOWER
MALTEC MASTERBLADE 3500W
CODE: 109185

- power:2100W
- power consumption: 1400W Eco
- engine speed: 3500 / min
- basket capacity: 30l
- cutting width: 32cm
- level adjustment mowing (20/35 / 50mm)
- foldable handle
- mains supply
- comfortable handles
- light construction

PETROL LAWN MOWER
MALTEC MASTERBLADE 17300W
CODE: 109283

- engine capacity: 173cc
- engine: stable 4-stroke
- speedrotating: 3000rpm
- tank: fuel / oil 1l / 0.6l
- mowing width: 51cm
- basket capacity: 60l
- manual soft start
- rear discharge / ejection-side / mulching
- 8-step adjustment cutting height
- steel housing

AERATOR
MALTEC MASTERLAWN-PRO2800 2IN1
CODE: 110016

- power: 2000W/2800W
- power supply: electric 220V
  no-load speed: 3800 rpm
- working width: 40cm basket
- capacity: 58L

- 2in1 - aerator and scarifier
- 5 height settings:
  -12/-9/-6/-3/+6mm
- foldable, adjustable handle
- strong wheels
- easy job

BLOWER LEAF VACUUM CLEANER
MALTEC MASTERBLOW3200W
CODE: 109452

- power: 3200W
- engine speed: 8000-15000
- air flow: 12.5 m3
- max air speed: 270km / s
- grinding: 10:1

- blower + vacuum cleaner
  + shredder
- handy handle and wheels
- engine speed control
- a shoulder belt, a 35l bag

GARDEN CART TRANSPORT TRAILER
SUNWAAL GC1
CODE: 110144

- lifting capacity: 300 kg
- capacity: 75l
- construction: steel
- bowl: reinforced plastic
- handle: dual function
- steel wheels

- tipper function
- comfortable grip
- 2in1 - trailer + stroller
- pumped wheels
- steering axle

GARDEN CART TRANSPORT TRAILER
SUNWAAL GC2
CODE: 110145

- lifting capacity: 450 kg
- construction: steel
- handle: dual function
- steel wheels
- bowl size:
  96.5cmx50.5cmx21.5cm

- lowered sides of the structure
- comfortable grip
- detachable tarpaulin
- 2in1 - trailer + stroller
- pumped wheels
- steering axle

REPELLER PESTS
MALTEC
CODE: 106914

- battery: 1.2V / 300mA-NimH
- frequency: 400Hz + / 100Hz
- Coverage: up to 2000m2
- head diameter: 15cm
- broadcasting every 35seconds
- solar panel
- safe for people and domestic animals
- wireless, waterproof

FOLDING LOUNGER
SUNWAAL PARADISE GRAPHITE
CODE: 110103

- material: textilene
- load: up to 150 kg
- folded dimensions: 94x66x14cm
- sitting dimensions: 110x67x88cm
- weight: 7kg
- does not absorb moisture, durable
- convenient carrying
- comfortable headrest
- drink holder
- folding
- position lock

FOLDING LOUNGER
SUNWAAL RIVIERA GRAPHITE
CODE: 110104

- material: 600D Oxford
- load: up to 120 kg
- folded dimensions: 88x65x15cm
- dimensions lying down: 153x60cm
- weight: 4.6 kg
- does not absorb moisture, durable
- convenient carrying
- comfortable headrest
- folding
- two positions: reclining + reclining

- bolt spacing: 5mm
- emits UV light
- ecological
- effectively attracts insects
- safe for people and animals

WASHER TURBO LANCE
MALTEC M2.1400
CODE: 109320

- power: 1400W
- pressure: 80-120bar
- pressure with Turbo Lance:150bar
- water flow: 390l / h
- hose: 5m
- trigger lock
- AUTO STOP function
- aluminum pump
- foam sprayer
- water filter
- turbo lance

WASHER TURBO POWER
MALTEC M7.2500-IND
CODE: 109321

- power: 2500W
- pressure: 130-195bar
- pressure with Turbo Lance:360bar
- water flow: 468l / h
- hose: 8m
- brass cylinders
- induction motor
- built-in foam sprayer
- water filter, turbo lance,brush, patio cleaner
- AUTO STOP + interlock

NAIL LAMP UV/LED
MALTEC NL-1 36 LED
CODE: 109330

- power 168W
- diodes LEDs 36 energy-saving
- motion sensor
- 4 time programs 10, 30, 60 and 99 seconds
- professional and home use
- display
- removing the bottom panel
- comfortable handle
- service life up to 50,000 hours
- no need to replace bulbs

NAIL LAMP UV/LED
MALTEC NL-2 36 LED
CODE: 109331

- power Eco48W
- diodes LEDs 36 energy-saving
- motion sensor
- 4 time programs 10, 30, 60 and 99 seconds
- professional and home use
- display
- removing the bottom panel
- double Power Function
- service life up to 50,000 hours
- no need to replace bulbs

NAIL LAMP UV/LED
MALTEC NL-3 42 LED
CODE: 110093

- power: 168W
- 4 time programs: 10, 30, 60 and 99 seconds
- 42 LED energy-saving Dual LEDs
- service life: up to 50000h
- display
- without the need to replace fluorescent lamps
- removable bottom panel
- for home and professional use

NAIL DUST COLLECTOR
MALTEC NC-1
CODE: 109332

- power 68W
- bagless - cassette
- weight 1kg
- easy to empty
- quiet work
- keeps the workplace clean
- ergonomic shape for hand positioning
- professional and home use
- increased work comfort

NAIL DUST COLLECTOR
MALTEC NC-2
CODE: 109334

- power 80W
- bagless - cassette
- weight 0,85kg
- easy to empty
- quiet work
- keeps the workplace clean
- ergonomic shape for hand positioning
- professional and home use
- increased work comfort

NAIL DRILL + BITS
MALTEC ND-1
CODE: 109335

- Power 68W
- Rotation 0-35000/min changing the direction of rotation of the cutter
- weight 1,35kg
- Adjustable speed
- Quiet and smooth operation
- Set of bits and caps
- Twist&Lock head for quick and easy cutter changes
- Operation in two ways pedal + knob

NAIL DRILL + BITS
MALTEC ND-3
CODE: 109801

- Power 68W
- Rotation 0-35000/min changing the direction of rotation of the cutter
